4.5.3 Resolution of Asbestos Claims

Section 5.3 of the Plan sets forth the way in which Asbestos Claims will be Allowed or Disallowed, and paid if Allowed. The Allowed Amount of Asbestos Claims (except for Canadian Claims that are filed by Claimants (i) with Asbestos PI Claims who elect the Canadian Litigation Option or (ii) with Asbestos PD Claims) shall be determined in accordance with the Bankruptcy Code, the Bankruptcy Rules, the applicable TDP, and the CMO. If any Asbestos Claim becomes Allowed, it shall be satisfied from the Asbestos Trust in accordance with the Asbestos Trust Agreement and the applicable TDPs.

The Allowed Amount of Canadian Claims that are filed by Claimants (i) with Asbestos PI Claims who elect the Canadian Litigation Option or (ii) with Asbestos PD Claims shall be determined in accordance with the Canadian Litigation Procedure and the applicable TDP.

The Asbestos Trust shall have the sole right and authority to resolve all Asbestos PI-SE Claims and Asbestos PD Claims. All Asbestos PI-SE Claims whose Holders elect the Litigation Option or the Canadian Litigation Option, as applicable, shall be litigated by, and at the expense of, the Asbestos Trust in the name of the Asbestos Trust.

The Asbestos Trust shall also have the sole right and authority to resolve all Asbestos PI-AO Claims to the extent the Holder of an Asbestos PI-AO Claim elects the Registry Option or the Cash-Out Option.

If the Holder of an Asbestos PI-AO Claim elects the Litigation Option or the Canadian Litigation Option, as applicable, the Reorganized Debtors shall have the sole right and authority to resolve all such Asbestos PI-AO Claims. All Asbestos PI-AO Claims whose Holders elect the Litigation Option or the Canadian Litigation Option, as applicable, shall be litigated by the Reorganized Debtors or the Canadian Affiliates, as applicable, in the name of the Asbestos Trust, initially at the expense of the Asbestos Trust out of the Asbestos PI-AO Class Fund as it is the estate that remains liable for funding of Asbestos PI-AO Claims.

Any court proceeding related to the resolution of Canadian Claims shall be resolved by the Canadian Court in the context of the Canadian Proceedings.

The subsections of Section 5.3 of the Plan deal with:

- Making of an Election by Asbestos PI Claimants;
- Claims Materials for Asbestos PI Claimants;
- Information Obtained by the Asbestos Trust or Reorganized Debtors Regarding Asbestos PI Claims; and
- Withdrawal of Claims.
